OH, JOY!

Model's see-thru sizzler

By LESLIE GROVES news@sundaysport.co.uk

IF there's one thing guaranteed to bring Joy to the world it's a Victoria's Secret model showing us her nipples!

Which is why it's such a treat to see model and actress Joy Corrigan revealing her pert busters in a see-through skin-coloured bra.

The 25-year-old, who recently starred in the films *Aftermath* and *Reprisal*, posed up a storm in the sexy undies.

A source said: "Joy's got a cracking pair on her.

"Personally, I would risk breaking lockdown just to get motorboated by her. Oh, God..."

BOXED IN: Holly was targeted by perverts when she sat by hole in a box on Keith's show

HOLLY'S GLORY HOLE HELL

Telly beauty showered with FILTH by sex trolls

By SIMON DEAN

THANK God they got some episodes of *Celebrity Juice* in the can before the virus shutters came down!

At least we can have some merriment while we wait for the worst of the contagion to pass.

But things went TOO FAR last week when team captain Holly Willoughby was dragged into a sordid GLORY HOLE storm.

When one part of the knockabout show, hosted by Keith Lemon, was trailed online on Thursday, it attracted unwelcome attention from SEX PEOPLE!

TROLL OF DISHONOUR: Holly scene brought out vile remarks

At one point, lovely Holly, 39, was placed in a wooden box with holes drilled in the sides.

But when a still went online showing Holly with her pretty mouth next to one of the holes, trolls could not resist.

Nick Wragg took to Twitter to slaver: "Oooo a glory hole", while Harry H Harrie joined in: "Looks more like a glory hole."

For the innocent, a "glory hole" is a hole in a wall, through which a man puts his penis to be fellated by someone on the other side.

A pal of Holly's said: "It was a fun game and there was no suggestion of Holly taking part in any sort or glory hole filth until these two stuck their oars in."

Breweries woes are no small beer

BEER sales by independent brewers have slumped by a whopping 82 per cent since the lockdown of pubs following the outbreak of the coronavirus.

A survey of almost 300 small breweries found eight out of 10 do not believe the Government is doing enough to support them though it.

The Society of Independent Brewers' James Calder said: "Unlike global beer brands who supply supermarkets in great volume, independent breweries sell the majority of their beer through pubs, bars and restaurants – it's hit them much harder."

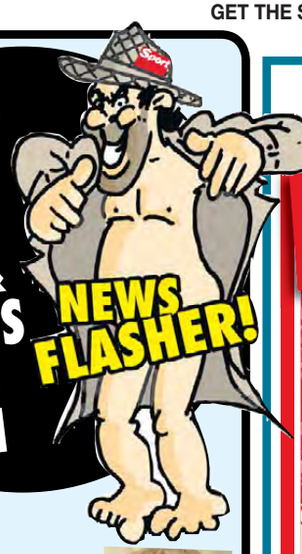
HE TAKES ALL THE WEEK'S NEWS & PULLS ITS PANTS DOWN



MONDAY

BORIS Johnson recovers at his country retreat after being released from hospital – and thanking the nurses who had literally spent all night by his bed.

Spending an entire night with a woman must have been a novel experience for our beloved PM.

He normally shins down the drainpipe while she's cleaning herself up in the bathroom.

TUESDAY

POLICE reveal that some people are STILL refusing to stay at home during the Easter weather – including keen campers who are determined to enjoy some time under canvas.

They should be arrested immediately.

The charge: loitering within tents.

WEDNESDAY

THE broadcasting watchdog Ofcom says it will investigate comments by Eamonn Holmes after the TV presenter suggested there COULD be a link between 5G phone signals and the coronavirus.

To be fair, he's not a scientist or an expert in that field. Until last week, he thought 5G was a bra size.

And when we say "a" bra size, we mean his bra size.

THURSDAY

PRINCESS Anne warns that younger royals should not try to "re-invent the wheel" when it comes to their role and duties.

Unless, of course, it's a steering wheel.

It would be nice to have one that Prince Philip can actually work.

FRIDAY

VICTORIA Beckham marks her 46th birthday by inviting us all to a "virtual party" – which basically meant a DJ playing some tunes on her Instagram feed.

Sounds like a crap party to us: no cake, no singing and very little fun.

But we have to admit it captures her personality very well.

SATURDAY

PUB landlords warn that they may have to throw away 50 million pints of beer if the lockdown continues.

To put it into context, that's nearly as many as were chucked when England scored that second goal against Sweden in the 2018 World Cup.

WE'RE No.1 FOR

MY UNSUNG HERO

by Jade Rogers, 24, 32C, from Birmingham

'My local shop man always has time for your worries'

CREAM OF THE CROP: Jade's local corner shop

I'D like to say that my local shop owner is my hero.

It's Midways Supermarket on the Dudley Road in Birmingham and it literally is a corner shop.

What's more, it's open 24 hours a day, so if I get home from a modelling job late at night, I can always pop in for a few things.

They have been really careful with the whole social distancing thing but, if anything, the whole virus crisis has brought people closer together – they have more time for each other.

Families

I suppose it's because we're in the same boat.

There are a few people round here who have family abroad and the owner – I don't even know his name, sorry – always takes the time to hear their worries. Naturally, people worry about their families at a time like this.

I think shop owners are all heroes – especially those in cities who have to put up with all kinds of nonsense.

But my local shop owner is the cream of the crop.

NO, MY NAME IS HANS SANITISER!

A BLAMELESS German man is taking calls morning, noon and night from panicking folk desperate to get hold of anti-viral gel...

Because his name is HANS SANITISER!

Carpenter Hans, 58, from Regensburg, Bavaria, says that he has been fielding calls from all over the world as people believe he supplies the gold-dust gel.

Recently-divorced Hans said: "In my line of work, I am needing to concentrate very hard as I use the very sharp tools.

"How am I able to be doing this when my telephone is ringing – RING-RING – all of the time?

"The people they ask me, 'Hello? I want the hand sanitiser!'

"I say, 'No, my *name* is HANS Sanitiser!'

Fed-up German is sick of calls from panicking germ-dodgers

By BRAD CHADWICK
news@sundaysport.co.uk

"At first I try to be polite and say 'Is OK – anyone is making mistake.

"I am a German. We have made the odd mistake over the years – HA-HA!'

Hoarding

"But some people they get cross and say 'You have the hand sanitiser and you are hoarding it!'

"They shout, they swear. They call me 'Dirty f-word Hun' and 'filthy square-head Kraut' and they shout 'Who win the f-wording war?' and something about World Cup.

"And this is very hurtful for me, and is hurtful for all the German people.

"I have no hand sanitiser. I use soap and hot water to wash my hands to keep away the coronavirus.

"In Germany we wash hands many times. We are clean people."

Hans explained that he cannot change his telephone number as it's printed on all his promotional material and would cost a small fortune to change.

He says: "I am hoping that this will all, how you say? 'blow over'."

When the coronavirus first hit, hand sanitiser became the number one panic-bought item and shop shelves were soon stripped bare, along with vast mountains of toilet rolls.

HURTFUL: Hans says calls have been very abusive

Restrictions

Supplies have still not returned to normal and most retailers have placed strict restrictions on purchases of the scarce substance.

Authorities have insisted that washing hands with hot water and ordinary soap remains the best defence against the Chinese death plague.

RANDY PUNTERS FLOCK TO BARRY'S HOUSE TO SCUTTLE HIS NAUGHTY WIFE

NOT SO BAD: Barry and his sex worker missus, Claudia

FOXY ROXY: Claudia as she poses to pull in clients while hubby Barry works

PEOPLE all across Britain are discovering new things as the lockdown confines us for barracks for the duration of the plague.

Some have found they are artists, others have developed green fingers and are working miracles in their back gardens.

But pity poor Barry Jones.

For he has found out his wife is a secret PROSTITUTE!

By BARNEY SAMUELS
news@sundaysport.co.uk

Along with millions of others, account manager Barry, 35, from Telford, Salop, started working from home when Boris Johnson announced the national lockdown last month.

But within days he found that wife Claudia had been "working from home" already.

He said: "I was sitting at my computer in the front room when this taxi pulled up. The driver got out and rang the doorbell.

"I went to answer and he said, 'Oh! Is Roxy here?' I said, 'there's no Roxy here. I think you have the wrong house'. He shrugged and left.

"I thought nothing more of it but over the next three hours, eight more men came to the door asking for this 'Roxy'.

"In the end, I called to Claudia and said, 'Do you know a Roxy?' Poor Claudia burst into tears and said 'Roxy is my sex worker name'.

"She was very apologetic but explained that was how we could afford the new conservatory. So it's not all bad, after all."

Claudia declined to comment.

I'll be pulling my pud to raise funds for NHS

LUSTY Kevin Stoate is PULLING out all the stops to raise funds for the NHS – with a sponsored WANK!

Single Kev, 43, aims to pull the pud a staggering ONE HUNDRED times between now and the VE Day Bank Holiday on May 8.

Parking control operative Kev (*right*), of Bispham, Lancs, said: "I've been laid off so it's what I'm doing anyway.

"I thought at least I could raise some money for the hard-pressed NHS. I just hope I don't end up in A&E with a prolapsed chap's eye, or something."

Kev was inspired by 99-year-old war hero Capt Tom Moore who has raised almost £20million for the NHS by walking around his garden.

Kev said: "So far, I've had £1.49 pledged, so I've got a way to go."

Stop raving over my fanny, rages Sharon

SHARON Stone wants people to remember that she's more than just a MINGE!

The actress was asked in an interview about her famous scene in *Basic Instinct* in which she uncrosses her legs to reveal her smiling slot.

Sharon (*below*), 62, said: "When will the same questions ever stop?

"The short film scene was shot in another century and has dominated my life ever since. I'm just fed up with it."

She also blasted the sexism of Hollywood in the 90s in the candid chat for Vogue Germany, saying: "When I started out as a model and actress, the term 'f**kable' was equated with workable and camera-friendly.

"At the beginning, it seemed that I was too masculine, athletic and muscular, so pretty unsexy.

"To be perceived differently, I had to have myself pictured half-naked for *Playboy* magazine!"

Bake Off Sue hints at painful end with Paul

FORMER *Great British Bake Off* co-host Sue Perkins has hinted at the row she and partner in crime Mel Geirdroyc had with baking superstar Paul Hollywood.

Sue and Mel were there at the beginning of *Bake Off*, back in 2010, but called time on their involvement in 2017 after the show jumped ship from the BBC to Channel 4.

What followed was a fall-out between judge Paul – who stayed on – and the hosting pair, that left them both "incredibly hurt".

Sue, 50, swerved giving specific details, but she did tell of the emotional impact that their argument with Paul had on the duo.

She said in a podcast: "When we were on the show, he was really good fun. And then things happened that made us sad and incredibly hurt.

"He was always like family, for years and years and years."

Sue (*right*) continued: "It's painful when those things end.

"I'm devastated about what happened but I feel talking about it is just uncool and you start pointing the finger."

Lindsay wants to be a Mean Girl again

FORMER wild child Lindsay Lohan wants to make a Hollywood comeback.

During a televised interview last week, the 33-year-old spoke about her dreams for the future.

She said: "I should probably get back to doing movies at some point. I think I was hanging on to *Mean Girls* for a really long time.

"I wanted to come back with a *Mean Girls 2* – to work with Tina Fey and the whole crew again, and director Mark Waters, that was really what I wanted."

Lindsay (*left*) added: "That's all in their hands, really, but that would definitely be an exciting thing."

While there are no official plans for a sequel to the hit 2004 comedy *Mean Girls*, Lindsay will return to the screen as a police detective in upcoming thriller *Cursed*, also starring Mickey Rourke.

She recently released *Back to Me* her first new song in 12 years.

Sex Education falls victim to UK lockdown

TOP telly series *Sex Education* is among several UK dramas forced to put filming on hold after Britain's coronavirus lockdown was extended.

Bosses were due to go into production on the Netflix drama – which stars *X Files* actress Gillian Anderson (*above*) – in Wales next month.

But plans must now be changed after strict social distancing measures were extended for at least another three weeks.

Netflix has had other UK shows impacted by COVID-19 – most notably *The Witcher*, which was shut down on March 16.

Elsewhere, *The Crown* just managed to wrap before the lockdown.

There are now question marks over a number of other UK dramas, including Season 6 of *Outlander* and Olivia Colman's *Landscapers*.

HEAR WE GO: Brits applaud frontline heroes in the streets

SNOWFLAKES DEMAND BAN ON NHS HERO CLAPPING

WORRIES: Meadow says some people are becoming anxious at the sound of clapping

Applause could 'trigger' anxiety, say activists

IT'S become a symbol of hope and pride, of gratitude and of resilience.

By SIMON DEAN
simon@sundaysport.co.uk

Each Thursday at 8pm, millions of people open their doors and their windows to applaud the superhuman self-sacrifice of NHS heroes battling coronavirus.

Even as the death toll spirals upwards, the resolve of the British people to thank frontline medical staff has stiffened and grown.

But now the so-called Clap for Carers could be BANNED – because of jelly-spined Millennials who say the applause triggers anxiety disorders.

Meadow Sugarsweet, chair of the Diversity Exchange Rainbow Fellowship tromboned: "Loud noises, including whooping and traditional applause, can pose an issue for students with disabilities such as anxiety issues.

"The problem has been exacerbated by some people joining in the so-called Clap for Carers by banging saucepans or other metallic items. We've had reports that some people – already impacted by the ongoing Not-From-China-In-Any-Way Virus – are becoming very anxious indeed.

"Some have reported tics, tinnitus and even bedwetting."

Meadow has suggested that the "audible applause incidents" should be replaced by "jazz hands" and participants miming the words "we wholly appreciate the contribution made by the diverse elements of the Naitonal Health Service family".

An earlier suggestion that the words "we salute the NHS" be mimed was voted down by the Diversity Exchange Rainbow Fellowship as "too militaristic".

The suggestion has not gone down well in all quarters.

Common sense campaigner Terry Furey stormed: "After hearing this nonsense, I will be clapping even harder on Thursday.

"And I will scream 'THINK OF THE NURSES, THINK OF THE NURSES!' at the top of my lungs.

"And if these snowflakes don't like it, well, they can lump it."

Dealers cash in on COVID

DARK web drug dealers have turned to selling face masks and unregistered testing kits amid the COVID-19 pandemic.

Experts from security firm Digital Shadows have seen accounts known for peddling illegal substances expand their range in a bid to cash in on rocketing global demand.

They have also seen sellers offering discounts, apparently to help entice people stuck in lockdown to buy drugs online.

Threat research analyst Alex Guirakhoo said: "Cyber criminals who typically engage in the sale of illicit drugs have seen the opportunity to diversify their listings.

"Listings which include terms like 'coronavirus sale!' alongside heavy discounts are common on all major cyber criminal forums and marketplaces.

"This is to keep their businesses going and attract customers who've been financially impacted by the pandemic."

THE VOICE OF YOUR BRITAIN

Time to pull the trigger on non-clappers

IT had to happen.

Snowflakes – who have already banned applause at many higher education establishments across the realm – have called for an end to the Thursday night "Clap for Carers".

As we know, this weekly ritual – where citizens take to the streets to show their appreciation for NHS heroes – brings our plague-ravaged country together.

Although social distancing is strictly observed, it is one thing that still unites us in communal activity.

But the milksops and crybabies of the Millennial generation claim that applause 'triggers' their various anxiety disorders.

It probably exacerbates their gender identity befuddlement as well, for all we know!

Boo hoo!

We should not give in to this self-indulgent wimpery.

The applause MUST continue.

In fact, it should go further.

How many of us have neighbours who do NOT participate in this vital national ritual?

Those who do not come into the street to applaud clearly do NOT support the NHS and must be a danger to the national will.

Those displaying such disturbing anti-social behaviour must be rooted out and shamed into compliance.

Today we call for the police to set up a dedicated hotline so that non-clappers can be identified and brought into line with re-education.

Similar hotlines set up for concerned citizens to report minor breaches of the lockdown have proved enormously popular with the ever-vigilant civic-minded among us.

The Clap Hotline MUST be next!

Down with dissent!

Down with resistance to the National Will!

Onwards, ever onwards, Britain – to VICTORY!

Roo do you think you are, Wayne?

A HOMELESS dwarf who is the spitting image of Mr Wayne Rooney has vowed to give away a large portion of his meagre income to help the needy in this time of crisis.

At the same time, the real Mr Rooney has defended moneybags footballers from attempts to curtail their vast wages.

This Sabbath day is perhaps the time for Mr Rooney to turn to his Scripture and read the Lesson of the Widow's Mite (Mark 12:41-44, Luke 21:1-4).

Dwarf tramp Rooney gives a THIRD of his begged pennies to the poor

EVERY LITTLE HELPS: Tom says helping those in need nourishes his spirit, while his doppelgänger feels footballers are scapegoats

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS
news@sundaysport.co.uk

MEANWHILE HIS MILLIONAIRE FOOTBALLER DOUBLE SLAMS PAY CUT CALLS AS 'A DISGRACE'

WAYNE Rooney's dwarf double has shamed professional footballers by pledging to donate a THIRD of all his income to the needy affected by the coronavirus emergency.

Skint Tom Harper – who lived for a time in a Tesco bottle bin – has snatched the moral high ground by declaring: "I may not be able to give a lot but I'm giving what I can."

Tom's stand is in complete contrast to the full-sized Wayne Rooney, who earlier this month said footballers were being treated as "scapegoats" after it was suggested they take a 30 per cent pay cut.

Three-foot-six-inch Tom said: "I agree with Wayne that footballers were perhaps unfairly being targeted by calls for a pay cut – I don't see a similar call made about shadowy international money men, for example.

"But it's important for me to show that handing over a substantial part of your pay is not impossible.

"I make a few pennies a day by dancing around my hat for passers-by. Obviously, there are fewer people around these days so my income has fallen substantially.

"But, even so, I've decided to hand over a third of what I get to the needy, those who are really struggling with this whole virus thing.

Lucky

"You might not think it to look at me but I consider myself lucky. I have my health, my hat and my imaginary dog, Hercules.

"I don't lead an extravagant lifestyle so handing over a third of my income is not that hard. And it nourishes me spiritually. That's what's important."

Earlier this month Wayne Rooney criticised both the Government and the Premier League for placing the nation's top footballers in a "no-win situation" over the issue of pay cuts, branding their interventions "a disgrace".

The former England captain, now playing in the Championship with Derby, penned an impassioned column in *The Sunday Times* in which he claimed his fellow professionals were being lined up as "easy targets" in the wider response to the coronavirus crisis.

After Health Secretary Matt Hancock, called for players to take a cut, Rooney wrote: "If the Government approached me to help support nurses financially or buy ventilators I'd be proud to do so – as long as I knew where the money was going.

"I'm in a position where I could give something up. Not every footballer is in the same position. Yet suddenly the whole profession has been put on the spot with a demand for 30 per cent pay cuts across the board. Why are footballers suddenly the scapegoats?"

New law says people Klan wear a mask

THE coronavirus has forced the U.S.state of Georgia to revisit a 70-year-old law targeting the Ku Klux Klan.

Governor Brian Kemp has signed an order temporarily suspending 1951 legislation creating an offence for people who conceal their identities while on public property – a law passed to combat the racist klansmen.

Kemp said the order allows Georgians to wear protective masks during the coronavirus pandemic without having to worry about a run-in with the law.

He Tweeted: "I signed an order to allow Georgians to wear masks in public to mitigate the spread of COVID-19 without fear of prosecution.".

Kemp, a Republican, had support from across the political divide, with Democrat Senator Nik Williams saying: "People are using whatever they have – bandanas, scarves – to put across their faces. I don't want that to be misconstrued."

I USED to think sticks and stones could break my bones but words could never hurt me – until I fell into a printing press.

VAR allows cops to corona snoop

COPS are using technology developed for football's controversial Video Assistant Referee to snoop on citizens and make sure they adhere to virus lockdown rules.

The astonishing claim emerged on a police whistleblower website that drones are being fitted with VAR sensors to try and automatically spot offenders.

The anonymous source posted: "VAR software is being tweaked so it can identify 'irregular movements' and 'shiftiness'.

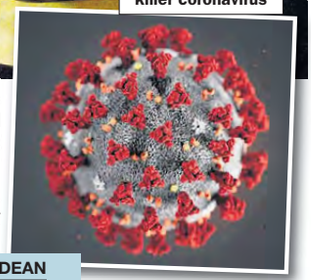
"The cameras can also automatically measure the distance between people in, for example, parks – to make sure they are two metres apart.

"Cameras fitted to drones can cover huge areas and the software allows operators to zero in on offenders and then direct ground officers."

It remains unclear if the whistleblower's claims are correct or which forces are suspected of using the system.

I'VE MADE COVID-19 CURE FROM VIMTO AND MY PISS

DISCOVERY: Doug with his demijohns and (*below*) the killer coronavirus



WHEN coronavirus started its deadly march across the world from a Chinese filth market, Doug Watson knew humanity was in for a crisis of massive proportions.

So the retired process worker took to his shed and put 40 years of science-based grafting to good use.

Now, more than a month into lockdown, the plucky widower, of Middlewich in Cheshire, reckons he's found a CURE for COVID-19 – made from VIMTO and his own PISS!

Doug told *Sunday Sport*: "I used to work at ICI and in my dinner breaks I'd go up to the labs and hang about with the scientists.

Expert

"Most of what they said and did I didn't understand at first, but bit by bit I caught on and became something of an expert on science.

"In fact, at my local they called me 'Doug the Boring Twat' because I was always going on about science and that."

He said after reading about coronavirus he became convinced that the sugary goodness of popular cordial Vimto combined with the acrid properties of stale urine would ward it off.

He said: "I got my old winemaking demijohns and started brewing up an anti-viral mixture.

"There was a lot of trial and error at first but last Tuesday I had a smell of the latest batch and thought 'This is it!'

"I had a sip – it was ruddy awful, if I'm being honest – but since then, I've not caught the coronavirus once.

"How much proof do you need?!"

Doug said that he tried to phone the UK's top scientist, Sir Patrick Vallance, to pass on news of his game-changing discovery but has so far been rebuffed.

He shrugged: "I know that Sir Patrick is very busy at the moment and probably has all manner of people coming to him with quack cures.

"But mine works and I'm living proof of that!"

Queue-jump spitter jailed

A QUEUE-jumper who spat at store workers and the police has been jailed for six months.

Darren Swain, 57, was aggressive and abusive to staff supervising a queue of shoppers at Poundland in Castleford, West Yorks.

They were allowing only a restricted number into the store at any one time – to help ensure social distancing.

When Swain was stopped from trying to jump the queue, he theatrically coughed into the air close to staff and members of the public.

He then gargled and spat in the direction of a female staff member, and laughed.

And when police arrived he also spat at them.

At Leeds Magistrates' Court Swain admitted common assault on the member of staff and on emergency workers.

Coronavirus rent debtors told to rim the landlord

TENANTS who can't afford rent because of the coronavirus outbreak say landlords have been asking for SEX.

One woman, unable to pay on April 1 after losing her income due to the crisis, said she texted a prospective landlord inquiring about a more affordable property – and he sent her a DICK PIC.

Another newly unemployed female said she asked her landlord if she could pay her April rent once she had work again.

He replied by telling her she could come over and RIM him instead.

These are just two of the 10 complaints of sexual harassment by landlords filed with the Hawaii State Commission on the Status of Women since the COVID-19 outbreak began.

A spokesperson for the commission, said: "We've received more cases at our office in the last two days than in the last two years."

Nearly 17 million Americans have filed for unemployment benefits since the forced government shutdowns to combat coronavirus began last month.

Nearly one-third of Yanks did not pay their rent within the first five days of April.

Shock as face of late comic pops up in spread

A WORLD already under the cosh from coronavirus was dealt another blow with the death of comedy legend Eddie Large from the plague.

Eddie, 78, was best known for being part of double act Little and Large with Syd Little, and the pair were light entertainment giants in the Seventies and Eighties.

But even giants can be felled by the bug and his family confirmed the news on Facebook, saying he'd been suffering with heart failure and contracted the virus in hospital.

But now – in a manner of speaking – Eddie is risen.

Because the curly-haired comic's face appeared in the margarine that hungry Graham Watson had spread on his lunchtime sandwich on Friday!

Stunned Graham, of Hartlepool, said: "I was making my favourite sardine and beetroot sandwiches and happened to glance down as I was buttering the bread.

"And there, looking up at me from the swirls of Stork, was Eddie Large! I was a big fan of Little and Large so the miracle brought me close to tears.

"I shouted out to my wife Minette, 'Look, Eddie Large is in my marge!' then I realised she was upstairs training with her pilates instructor – again. I'm not sure he counts as an essential worker, between you and me."

Graham contacted *Sunday Sport* to spread the news of Eddie's reincarnation.

He said: "It's typical of Eddie – still making us smile even when he's dead. What a pro."

Naked nut's arrested as he lies in a show coffin

A MAN was arrested for breaking into a funeral home – then stripping naked and climbing into a coffin to down a bottle of beer.

The bizarre chain of events began when Ethan Palazzo broke into the funeral parlour in the early hours after a heavy drinking session.

Palazzo, who stripped off once he got inside, is suspected of sifting through the morgue's chemicals – which were stored in a cupboard – in the hope of finding something he could get high on.

It's unclear how police were tipped off to the break-in, but when they arrived they found Palazzo – who reeked of booze – in a display coffin along with a cold bottle of ale.

Palazzo did not reveal to authorities why he broke into the funeral home, but said that he "wanted to speak to his girlfriend".

He's also suspected of breaking into a car outside the Thomas P. Kearney Funeral Home in Old Forge, Pennsylvania, and leaving a can of beer on the motor's dashboard.

Palazzo, of New Jersey, was charged with burglary, trespass and criminal mischief.

He was freed after posting bail.

PM's snake fear in cobra meeting

INDIA'S prime minister Narendra Modi was left "shaken but unharmed" after a deadly COBRA snake slithered into a meeting of the country's security council.

The 69-year-old PM (*above*) was chairing a meeting of the council to discuss the nation's continuing lockdown.

A source said: "The serpent was spotted by one of the PM's bodyguards who then twatted it to death with a big stick."

Mr Modi last week extended a nationwide lockdown – which began on March 25 – until May 3 to try and contain the spread of deadly coronavirus.

It's feared if the virus takes hold in India's slums, hundreds of thousands will die.

STRIKE a light – it's sexy singer Halsey with her BOOBS out!

The 25-year-old beauty – real name Ashley Nicolette Frangipane – posed for these pics for the Yank magazine *Flaunt* back in 2017.

But this is the first time the sensational images – which include this one of her holding a lighter flame to her tongue – have been seen in the UK.

Last week Halsey stripped off again for a revealing mirror selfie, as she boasted about her gardening skills.

A fan said of the old mag shoot: "I'd burn my tongue off, too, for a go on those teats!"

HOUSEMATES UNABLE TO MEET THEIR MEN TURN TO EACH OTHER FOR SEX

HORNY housemates Helena Smithson and Becky Poulson have made a pact to become lesbian lovers during the coronavirus lockdown.

By WENDY THOMAS
news@sundaysport.co.uk

The pair, both 22, share a house in Birmingham and have been cut off from their boyfriends by the current quarantine.

So they've decided the only way to get through what may turn out to be months without sex was to hook up with each other.

Dabbles

And the lockdown lesbians reckon they're having the best sex of their lives!

Graphic designer Helena said: "I've had a few dabbles with girls before but never got as far as touching more than a bra-covered boob.

"But Becky and I were talking about how much we were missing our fellas and the sex when she said, 'Why don't we hook up?'

"I'd never thought of her in that way before but it made sense. We were stuck inside together and God knows when we'll see our fellas again, so I said yes.

"The next night we had an official date night. She cooked me a lovely candlelit meal and we were both dolled up in our fanciest dresses and underwear.

"After eating we snuggled on the couch and started to kiss each other. It felt amazing.

"Then I felt her hand on my breast, which really turned me on. Before I knew it she had her hand up my skirt and was stroking my pussy. I was so wet I almost orgasmed immediately.

"Soon we were both naked and I was licking her out. After she climaxed I sat on Becky's face and she licked me to an amazing orgasm.

"We've been having sex every night since. My boyfriend is well jealous."

Becky added: "It seemed the perfect solution to our problem and it's worked out better than I could have imagined."

KILLER: Dolheguy

KINKY GIRL CHOKED STUDENT WITH SEX TOY

A DERANGED teenage killer who choked a man with a sex toy cable should spend four years in a youth jail, a court heard.

Jamie Lee Dolheguy was 18 when she shared messages with student Maulin Rathod on the Plenty of Fish app in September 2018.

They met at her home in Sunbury in Melbourne, Australia, and he agreed to "choke-play" with her, in her bedroom.

But despite his signal to stop, she kept him in a hold and whispered: "It will be OK."

She then wrapped the cable from a plug-in vibrator around his neck before calling police for help.

Maulin, 24, died later in hospital.

The now 20-year-old woman was found guilty of manslaughter after a trial last year.

Lawyers for Ms Dolheguy argued her youth and profound mental health issues should be taken into account during the pre-sentence hearing at the Supreme Court on Thursday.

Instead of an adult prison, she should spend four years at a youth facility in addition to the almost two years she has already spent in adult custody, barrister Sharon Lacy said.

The heartbroken parents of Mr Rathod want justice for their only child, who had promised to look after them back in India after finishing his studies in Australia.

The hearing continues.

Church nutter's lockdown porn egg deliveries

A WOMAN has been arrested after leaving Easter eggs filled with PORN in strangers' letter boxes.

Abril Cestoni, 42 (*above*), delivered around 400 'porn' eggs in Flagler County, Florida, after she had finished her shift at a grocery store, cops say.

Based on calls from members of the public and a review of home surveillance footage, police conducted a traffic stop on Cestoni and arrested her.

She later admitted to making the porn on a PC program.

Deputies say the reason she gave for distributing the eggs was she wanted to educate people on the need for churches and pastors to give money to the less fortunate.

Cestoni said she was conducting research on local clergy and "people deserved to know the truth," police said.

Cestoni is charged with violating Florida's statewide stay-at-home order as well as at least 11 counts of distributing obscene material, and is being held at Flagler County Jail.

Sharp funeral staff save 'dead' woman

A WOMAN was pulled out of a body bag after being mistakenly pronounced dead.

Gladys Rodríguez de Duarte's 'body' had been sent to a funeral home when her family was told she had died.

Gladys, 46, had gone to a clinic complaining of high blood pressure.

She was treated by a Dr Heriberto Vera, but he pronounced her dead less than two hours after she'd been admitted to the San Fernando clinic in Coronel Oviedo, Paraguay.

Dr Vera later employed called a funeral home to pick up the body, but staff there later discovered that Gladys was still breathing and rushed her into the intensive care unit of the local hospital.

Unsurprisingly, Gladys's husband Maximino has now lodged a complaint regarding the medical care his wife received.

I've made a Russell Howard SEX ROBOT to keep me company during lockdown

NO MORE LONELY NIGHTS: Terry and his homemade pal

FUNNY EYE: Russell

SUNDAY Sport EXCLUSIVE

LIVING alone since his wife left him in 1992, Terry Witham is used to the solitary life.

By BARNEY SAMUELS
news@sundaysport.co.uk

But the idea of being totally cut off from human contact unnerved the spry 65-year-old.

So hands-on Terry – much like the woodcarver in *Pinocchio* – set about building himself a companion.

And last Thursday he completed his masterpiece – a fully-functioning pal modelled on bog-eyed telly comic Russell Howard.

Terry, of Welwyn Garden City, Herts, said: "When the PM announced we were being locked down, I said to myself, 'This will be for the long haul, Terry'. No more trips to the pub or the bowls club. I would be totally alone.

"So I decided to make myself a pal and who better than the wholly inoffensive comic, Russell Howard. He always looks like such a nice young fellow – even with that funny eye."

Terry went on: "I decided to make my little Russell anatomically correct. Although I do not regard myself as a gay, it struck me that, like those chaps in prison, I might have to resort to that kind of thing in the absence of anything else.

"And I do confess, I have indulged a few times. It is surprisingly like I imagine anal sex with Russell Howard to be – mildly disappointing and limp… like humping a dead puppy.

Girly

"Not that I've humped any dead puppies, you understand."

Terry said he's still trying to perfect "Russell's" conversation software.

He said: "All I can get out of him at now is a wet, girly, whinnying giggle. But I suppose that's quite lifelike."

HOW BABES TURN WORKING FROM HOME INTO SEXY

THE ZOOM FLASH CHALLENGE!

PINK TO MAKE THE BOYS WINK: Pretty babe bares her wares

WITH half the world now working from home, video conferencing on Zoom has become the way many colleagues keep in touch.

It's even how the Cabinet are meeting!

But it's unlikely government ministers are using the app to flash their private parts – unlike the participants in the latest online craze – The Zoom Flash Challenge.

It sees women workers whip their boobs out while they're on an online conference and then post the results to social media site Reddit.

Thousands of sexy babes have already flashed their boobs and the trend is getting bigger by the day.

By BRAD CHADWICK

Social media analyst Laura Maitliss said: "No-one ever knows how these things start but this is a brilliant challenge which gives a workers a real boost."

But employment law expert Gareth Hurst warned: "Some people who enjoy doing this are employed in creative industries, which have a lot less formal approach to this kind of thing.

"Please be careful doing this if you work for a more traditional industry or you may get in trouble."

Murder-rap hubby faked COVID texts

A MAN murdered his estranged wife then tried to cover up her disappearance by claiming she was on her deathbed from coronavirus, cops say.

Friends only thought Gretchen Anthony, 51, could be in trouble after getting odd texts in late March claiming she had an "acute" case of COVID-19.

Police in Jupiter, Florida, found she'd not been treated locally or made any insurance claims for treatment.

Officers focused on her 48-year-old hubby David (*above with Gretchen*), who had separated from her in February and whose vocabulary matched the weird virus texts.

A neighbour at the couple's home told cops she had heard a "blood-curdling scream" and a woman pleading "No! No it hurts!"

The husband was eventually found in Las Cruces, New Mexico.

He has since been charged with murder and kidnapping and is being held awaiting extradition to Palm Beach County.

Gretchen's body is still missing.

Lockdown mum took it up the bum in shopping mall car park

CHARGED: Callie Evans (*above*) was caught with teen at the Pine Plaza shopping centre (*below*)

By JULIE FRASER
news@sundaysport.co.uk

A RANDY mum was caught being "vigorously sodomised" by a 16-year-old lad in the back of a car in a deserted shopping centre car park.

Policemen patrolling to enforce lockdown rules at 2am on Thursday spotted Callie Evan's hatchback "rocking" and went to investigate.

When officers shone their torches through the car window, they spotted Evans on her hands and knees, taking the youth's hard, pulsing cock in her tight bum.

An attending officer reported: "Suspects were taken by surprise and were given a few moments to make themselves decent."

An identity check found that the lad was 16 – underage in Florida – and that Evans was a married mum-of-two who lived near the Pine Plaza shopping centre in Ocala, Florida.

Begged

The youth was taken home where he told detectives that 39-year-old Evans "begged for it in the ass" and even "sucked my cock after it had been in her butt".

A field sobriety test showed that Evans was over the drink drive limit and that was added to the charge sheet, along with unnatural sexual abuse of a minor and violating lockdown.

Evans will appear in court this week via video link from the county jail.

A police source said: "This lady's husband was pretty pissed off, I can tell you. He done told me she ain't never let him near her ass, telling him it was 'ungodly' and 'the work of heathens'.

"Well, from what I heard, that ass been a well-trodden path, if you get my meaning."

Police have appealed for other victims to come forward after the youth told him he was "not the only one" to have anal relations with Evans.

Florida governor Ron DeSantis issued a safer-at-home order for the entire state, allowing only essential activities and services, which came into effect on April 3.

Coronavirus turns rats into cannibals

AS millions of eateries have been forced to close during the coronavirus pandemic, plague-spreading rodents have form vast armies to battle it out for dwindling food scraps – in a terrifying RAT WAR.

And they're even resorting to CANNIBALISM.

Bobby Corrigan, a rodentologist who specialises in urban vermin, said: "It's just like we've seen in the history of mankind, where people try to take over lands and fight to the death, literally, for who's going to conquer that land.

"A new 'army' of rats comes in, and whichever army has the strongest rats is going to conquer that area.

"When you're really hungry, you're not going to act the same – you are going to act very, very bad.

"Rats that were living by a restaurant or some place nearby… when it shuts down, they only have a couple of choices.

"These rats are fighting with one another – now the adults are killing the young in the nest and cannibalising the pups."

SUNDAY Sport **EXCLUSIVE: TRUTH ABOUT HOOKER OFFERING SEX IN HER M**

I'm a total badass takes bareback cock my holes!

READY FOR ACTION: Kirie sees 50 men a day, every day

BRITAIN'S filthiest porn star has been slammed for breaking coronavirus lockdown rules to travel around offering no-holds-barred BAREBACK SEX in her motor home.

Kirie Redfield, 37, who hails from Whitby but travels across Yorkshire in her tatty old van, is offering 15-minute appointments for customers and a wide range of sexual services.

But she appears to be breaching the Government's lockdown rules that urge people to keep two metres away from those who do not live under the same roof.

The rules also state that people should work from home and not drive to work unless it is essential.

Spreading

One worried resident in Hull said: "She poses a threat to spreading the COVID-19 virus as she meets strangers in her camper van and she offers unprotected sex.

"She comes to Hull on a weekly basis and has been working this week."

Kirie can be found on an adult website which shows her advertising for sex this week in her motor home less than two weeks ago – AFTER the lockdown was imposed.

The site says: "Wednesday April 8 @ west Hull 12.30pm to 2pm. All meets are for 15mins in my motor home."

Busty Kirie originally started her nationwide tour at the beginning of the 2017 in a white van, charging men £30 cash each for full sex.

She has bragged that she sees 50 men every DAY on the cramped double bed and hosts up to half a dozen at a time in the evenings for "gang bangs" on her sticky bedsheets.

Her van has provoked outrage wherever it has pitched up – with some locals complaining of it rocking in broad daylight and streets echoing to sex yelps.

But we can reveal that as well as renting her minge – and bumhole – for bargain prices, Kirie is also the star of hundreds of German porn films including scenes of:

- Bukkake
- Watersports
- Double anal

In one movie, Kirie takes a full load of hot German spunk in her bumhole, which she then dribbles into the mouth of another porn babe.

The pair are then hosed down by four urinating Krauts.

On her website literally no-holes-barred Kirie boasts: "Hi, I'm Kirie from Whitby in North Yorkshire. I am a genuine nymphomaniac and totally perverse.

"I've appeared in numerous German Goo Girl porn vids, I'm a complete cum whore, who prefers bareback & creampie sex, raw anal is also sought, I am a complete and utter f**k slut and take bare cock in all of my holes."

The 30MM star promises kinky services including:

- A levels (anal sex)
- Bareback bukkake
- Deep Throat
- Double Penetration
- Facials
- Female ejaculation
- Gangbangs
- Oral Rimming
- Snowballing (where one person takes someone else's semen into his or her mouth and then passes it to the mouth of the other)
- Unprotected Sex
- Watersports

RAW: Porn star loves to get ass f**ked

Writing about a sex tour visit to Glasgow, Kirie gushed: "I broke my record for the number of anal bareback punters had in a single day.

Spillage

"My previous record was 48, but thanks to the lovely Glaswegian raw cocks, and no thanks to the traffic problems due to diesel spillage on the M74, which meant I was late and missed a few guys – I still managed to break the record by getting my arse raw f**ked continuously, one after another by a total of 51 guys.

"It was such good fun and I hope it's a record I break again soon – the feeling of whoring my ass unprotected for 12- 16 hours non-stop, getting my anal barebacked by one guy before the next does the same with my ass nicely lubed up with the previous spunker's load.

"I took a real filling as my ass received a filling with two pints of your sperm."

Kirie's speciality is a £100 "piss in pussy with full bareback" which involves "raw penetration and watersports, piss in my c**t as you're f**king me raw – before or after ejaculation".

An unrepentant Kirie said: "Everybody knows already what I do, so I don't know what the problem is. I'm not doing anything illegal.

"My family and friends know about it, they don't mind.

"I'm making men happy, running a business and making money to support myself.

"What's wrong with that?

"There are never any problems where we go.

"We take care to do this away from homes."

LOVE Island star Megan Barton-Hanson put on a sizzling display as she slipped into skintight blue gym wear.

Meg, 26, showed off her big, round arse as she posed up a storm with her back to the camera.

Holding her brunette locks up in a bun, Megan wrote atop of the selfie: 'Hair is finally growing! Blonde pending...'

The photo, posted on Instagram, sparked a flurry of admiring comments.

But there's always one who has to go too far.

And this time it was no different, with one Instagram user making a vile mouth-to-anus SEX suggestion.

The user, calling himself michael.charles89 slavered: "Would suck the farts from that."

The practice falls under the umbrella of a fetish termed eproctophilia, or sexual stimulation through flatulence.

A pal of Megan said: "Megan is no prude, but when someone comes onto her public feed and suggests he press his lips close to her puckered anus and sucks vapours from her digestive tract? That's way too much."

MP quits after being caught in seedy sex club

AN MP has been forced to quit after he was caught balls-deep in a sex club – flouting lockdown orders.

Randy Takashi Takai was caught at the X-rated venue in Tokyo's Kabukicho entertainment district, despite the capital being under a state of emergency, declared to halt the coronavirus.

Takai (*above*), 50, is MP for Hiroshima and furious bosses of his Constitutional Democratic Party have dropped a bomb on his political career.

A party head said: "This puts opposition parties at a disadvantage when we're scrutinising the Government's coronavirus response."

That's the famously polite Japs' way of saying "We're f**king furious."

Takai has submitted his resignation but it is not yet known if he'll take the traditional step of hacking out his innards with a sword.

Did any other newspaper astrologer see the coronavirus coming? Of course they f**king didn't.

So here's how YOUR immediate future is going to pan out, according to our very own SEPTIC MEG!

ARIES ♈
MARCH 21 – APRIL 19

IT is the last day of the month of your precious star sign – the end, if you like. Which, with current events, makes you wonder why you ever bother with this nonsense.

TAURUS ♉
APRIL 20 – MAY 20

YOUR hair has gone haywire since stylists and barbers closed. Just thank God you're not Scottish First Minister Nicola Sturgeon, whose bonce was bad before the epidemic.

GEMINI ♊
MAY 21 – JUNE 20

ANIMAL welfare charities have reported a surge in people wanting to adopt cats and dogs during the lockdown. This is in no way related to the lack of meat in most supermarkets.

CANCER ♋
JUNE 21 – JULY 22

YOU'RE thinking of joining in the mass early morning workouts with fitness guru Joe Wicks. Would you have followed the floppy-haired c* if the world wasn't at peril? No, you would not.**

LEO ♌
JULY 23 – AUGUST 22

LEO ladies. With people using open spaces being branded lepers, keep fit at home by doing naked "reverse parking" on your gentleman's lap. He deserves it after having to listen to you 24/7 for weeks now.

VIRGO ♍
AUGUST 23 – SEPTEMBER 22

YOU are still going to parks to take photos of people in parks and then slag off said people for going to parks. Face it – you're a f**king nosey-parkie.

LIBRA ♎
SEPTEMBER 23 – OCTOBER 22

ONLINE cookery classes have become all the rage. Join in by using whatever's left in the cupboard – toothpicks, a dusty six-year-old bottle of Crème de Menthe and old hotdogs.

SCORPIO ♏
OCTOBER 23 – NOVEMBER 21

YOUR favourite movie character of all time is Batman. Probably not anymore, though.

SAGITTARIUS ♐
NOVEMBER 22 – DECEMBER 21

YOU are self-isolating in your back yard with a four-pack of barley wine. Perk things up with a game of DIY whack-a-mole by tossing random bricks over the wall into next door's residential home.

CAPRICORN ♑
DECEMBER 22 – JANUARY 19

SAVE your tissue paper for important things like sneezing and wiping your arse. By using curtains to wipe away tears, they'll end up so stiff they'll make great blackout shutters.

AQUARIUS ♒
JANUARY 20 – FEBRUARY 18

YOU think it's strange how the price of petrol plummets when the vast majority of us are told not to drive. It's like being beckoned at through a fit Amsterdam hooker's window a week before payday.

PISCES ♓
FEBRUARY 19 – MARCH 20

YOU'VE been secretly reading up about a sudden proliferation in the number of calls made to divorce lawyers. And so has your wife.

10 THINGS YOU MIGHT NOT KNOW ABOUT

World Health Organization

DEAR old President Trump has caused another kerfuffle by saying he is going to halt funding to the World Health Organization, because it has "failed in its basic duty" in its response to the coronavirus outbreak.

He accused the UN agency of mismanaging and covering up the spread of the virus after it emerged in China, and said it must be held accountable.

But what do we really know about the WHO?

Here are 10 facts you may not have known...

1 **THE International Sanitary Conferences, originally held on June 23, 1851, were the first predecessors of the WHO.**

2 THE constitution of the World Health Organization was signed by all 51 countries which were then members of the United Nations, and by 10 other countries, on July 22, 1946.

3 **THE WHO has 194 member states – all of the member states of the United Nations except for Liechtenstein, the Cook Islands and Niue.**

4 THE WHO employs around 8,500 people in 147 countries worldwide.

5 **YOU are not allowed to work for the WHO if you are a smoker.**

6 THE head of the WHO is the Director-General, elected by the World Health Assembly. The term lasts for five years, and Directors-General are typically appointed in May, when the Assembly meets.

7 **POLITICAL pressure from China has led to Taiwan being barred from membership of the WHO and other UN-affiliated organisations. China regards Taiwan as a rogue state that should be part of China itself.**

8 THE WHO routinely spends about £160million a year on travel expenses – more than it spends to tackle mental health problems, HIV/AIDS, tuberculosis and malaria combined.

9 **IN 2017, the Director-General Tedros Adhanom Ghebreyesus appointed Zimbabwean tyrant Robert Mugabe as a WHO Goodwill Ambassador. There was such a stink that the appointment was revoked the next day.**

10 THERE are moves at the WHO to promote acceptance of quack Chinese medicines made from endangered species.

MARVELLOUS Millie Fenton remembers going to her corner shop as a kid – and still goes to it.

She said: "It's a newsagent-cum-corner shop and you'd be amazed how much stuff he packs into it.

"I had no way of knowing when I popped in for some Kola Kubes as a kid that one day I'd be appearing topless in one of the papers on the racks!

Your local snitch paves the way to tyranny...

LOOK at this tweet from Central Bedfordshire Community Policing Team.

The wording that goes with it should chill every free-born Briton: "*If you think that by going for a picnic in a rural location no one will find you, don't be surprised if an officer appears from the shadows! We are covering the whole county.*"

That's police officers – English police officers – boasting that they are lurking in the shadows ready to pounce on, not terrorists, not rapists and murderers, not burglars or fraudsters but picnickers.

In today's topsy-turvy world, picnickers are public enemy No.1!

What's more, that bloodcurdling payoff: "*We are covering the whole county.*"

Not a million miles from: "*Big Brother is watching you*", is it?

Look, we get it…

"*Stay at home, protect the NHS, save lives.*"

We're probably saying it in our sleep by now and more than 90% of us are following the guidelines.

There are numpties breaking the lockdown but why does that mean we should be bombarded by

diktats from the Lockdown Stasi?

Of course, we should not blame the Dibble that much.

Fighting exciting new crimes is what they love.

Someone breaks into your car or house and they're not interested.

Say something mean on Twitter or slip a non-essential packet of biscuits into your shopping and they're down on you like the f**king Sweeney.

But what's more troubling is the emergence of the Lockdown Snitches.

The curtain-twitching busybodies who've made themselves guardians of the stay-at-home rules.

"I'm just making sure everyone obeys the rules".

Yes, Muriel.

It was your "civic-minded" sort who pitchforked people into the Nazi ovens.

These c**ts have been watching people's movements, deciding if they are "essential".

There are cases of nurses – NURSES for the love of God – getting notes left on their car windscreens informing them they've been "reported" by the neighbourhood prodnoses.

When democracy dies in this country, tyranny will not just be enforced by the secret police or jackbooted stormtroopers.

The most-fearsome people in any dictatorship are the busybody neighbourhood narks.

HE'S COOL, HE'S EDGY, HE LIVES WITH HIS GRAN AND HE NEEDS POLICE PROTECTION

HOLMES BOY: TV host Eamonn (*left*) 'threw petrol' on whole 5G debate

SAVE ME, SAYS 5G (THE RAPPER THEY WANT TO BATTER!)

SHITTING PANTS: Rapper 5G

AN up-and-coming rap star says his days are numbered – because he's called 5G!

Talented 5G, from Manchester, came up with the name five years ago when he set out on the path to stardom.

But now he reckons his stage name has made him a marked man as conspiracy theorists go about attacking the 5G mobile phone network in the deranged belief it spreads coronavirus.

5G – real name Colin Broadstairs – said: "I've been at this rapping game for five years now and apart from a gig at my nan's day centre, I've struggled to get anywhere.

"I rock a retro Soviet groove but to be honest, apart from my nan, who I live with, my mum and my sister, nobody had heard of me.

"Then all this hoo-ha erupted about the Chinese

By MACCA McBRUCE
news@sundaysport.co.uk

pumping the coronavirus through the 5G network.

"I thought, 'This is it! I'll be famous! My stage name is now really dangerous!' It was like being called AK47 or monkey pox."

Hysteria

But it did not quite work out like that.

5G said: "The hysteria grew and then I read that people had actually been attacking 5G masts and other hardware. I thought 'Ooo-er!' and I started to worry that people could try and set fire to me!"

And after TV presenter Eamonn Holmes's lent credence to the insane 5G conspiracy theories, the rap star reckons his death warrant is now all but signed.

He said: "Holmes, by effectively throwing petrol on the whole 5G row, could well have signed my death warrant. I know he's being investigated by broadcasting authorities for his comments but now I fear for my life!

"I need police protection!"

Trump adviser: Blame Bill Gates for virus!

A SENIOR adviser to Donald Trump suggested Bill Gates may have had a hand in the creation of coronavirus – so he could plant microchips in people's heads!

Lobbyist and convicted liar Roger Stone *(left)* said: "Whether Bill Gates played some role in the creation and spread of this virus is open for vigorous debate.

"I have conservative friends who say it's 'ridiculous' and others who say 'absolutely'."

Speaking on radio show *The Answer*, Stone added: "He and other globalists are using it for mandatory vaccinations and microchipping people so we know if they've been tested.

"Over my dead body. Mandatory vaccinations? No way, Jose!"

Stone was jailed for 40 months after being convicted of lying to Congress and threatening a witness while working on Trump's 2016 campaign.

Boffin's call to send sex robots into outer space

SEX robots need to be launched into space to keep astronauts company and fulfil their needs, a boffin claims.

Simon Dubé explained that while astronauts hurtle through space to increase understanding of our universe, they are still human and they still have sexual desires.

He said: "Astronauts, despite their rigorous training, are humans with needs.

"For space exploration and colonisation to succeed, must overcome taboos, consider human needs and desires and provide solutions based on science rather than conventional morality.

"Can humans contend with limited possibilities of relationships, intimacy and sexuality?

"Sex tech might have the answer."

Dubé, a psychology professor at Université de Montréal, in Canada, continued: "Erobots could provide companionship and sexual pleasure to crew and settlers. Beyond the capabilities of sex toys, erobots incorporate social dimensions into erotic experiences.

"They could act as partners, provide sexual outlets and reduce risks associated with human sex. Erobots could also provide intimacy and emotional support."

5 MOST POPULAR MEALS DURING LOCKDOWN

1. Fèves au lard de la sauce tomate sur toast (beans on toast)
2. Bâtonnets de poisson avec pomme frites (fish fingers & chips)
3. Les chips avec biere (crisps & beer)
4. Des biscuits avec biere (biscuits & beer)
5. Tout ce qui reste dans le placard avec biere (whatever's left in the cupboard with beer)

CHEESE 'N' CRACKERS

A HUSBAND pulled a gun on his wife after she chucked away his CHEESECAKE, fearing it was infected with coronavirus, in Battle Creek, Michigan.

AS DILDO SALES SURGE DURING LOCKDOWN,

SEX TOYS 'R' US!

WELL IN: Sarah swears by her LOVE ME iWand

I HAVE a LOVE ME iWand Mini and it's by far the best £19.99 I have ever spent!

I've had a lot of sex toys over the years, from little bullet vibrators to thrusting rabbits and those remote control ones.

But none of the come close to this. Seriously it is on another level.

The vibrations are incredibly intense and because it's soft and flexible you can really get in the right places.

There are all kinds of vibrator settings, but I just put it on high and get to work.

I don't know what happens but the orgasms last longer from this.

It's also good to use while I'm riding my partner's cock!

I just have to remember to keep it charged up.

By WENDY THOMAS
news@sundaysport.co.uk

THE economy may have been devastated by the coronavirus but one sector is booming – SEX TOYS!

With lockdown and social isolation, casual sex hook-ups are all but banned, so lusty ladies are taking matters into their own hands.

And that's led to a worldwide surge in sales of things that buzz, whirr, tickle and thrill.

Here in the UK dildo sales have risen by 130 per cent in just a month.

Exposure

It's unsurprising that sales of sex toys have spiked as people look to entertain themselves at home.

And men's wellness platform *Manual* commented on the rise in sales saying: "Currently, people around the world are trying to limit their exposure to others, which includes time away from dating and meeting new love interests.

"For those singles out there that still want to experience sexual pleasure in this time of social distancing, sex toys are the answer."

We spoke to four stunna about their fave "little pals...

'Dog's worth every penny'

SARA BELLOWS, 24, FROM COLCHESTER

MY go-to sex toy is a Tracy's Dog Next Generation Clitoral Sucking Vibrator.

Sounds a bit of a mouthful, doesn't it, but it's actually as much fun as having a mouthful of cock.

It cost me the thick end of sixty quid but it was worth every penny!

It has 10 vibration modes and 10 suction modes.

That's right – suction modes. It actually sucks on your clit while you shove the shaft into your vagina!

I never came so fast and so hard in my life with this little wonder.

I even squirted for the first time. Imagine my surprise when this shower of pussy juice just jetted out of me. I lay back, knackered, soaked and very, very happy!

FOUR BABES EXPLAIN WHY...

'Nothing's come close to this!'

EMILY LEIGH, 32, 34G, FROM BASILDON, ESSEX

WELL SATISFYING: Emily loves her Satisfyer Pro 2

I USED to think that the Rampant Rabbit was the best sex toy ever invented – until I tried the Satisfyer Pro 2 personal massager.

This thing has given me the best orgasms of my life!

I've had threesomes, gangbangs, huge cocks and lesbian affairs but nothing has come close to the feeling this sex toy gives me.

It is quite frankly out of this world!

The way it works is by vibrating the air around your clit, rather than stimulating your clit directly – and it's the most amazing feeling.

It's difficult to describe exactly how good it is but when I tell you I can go from zero to orgasm in less than a minute you'll be able to understand!

I've been recommending it to all my friends, and they're all hooked too.

It's no wonder it's one of the biggest selling sex toys in lockdown!

DOGGY-STYLE: Sara swears by her Tracy's Dog toy

And after that, I used it again, straight away – and I came again and again.

It was an unending evening of orgasm after orgasm.

Afterwards I shook for a good five minutes. I really was shocked at how good this thing is.

I love a good hard cock but this made me come harder than any man has so far managed! I tell you, girls, get one now!

'Perfect for my hungry pussy'

RACHEL DAVIES, 27, FROM BARNSLEY

IT'S THE SQWEEL THING: Rachel rates it

I LOVE having my pussy licked – and I mean REALLY love it!

I can come again and again when there's a tongue flicking on my clit, and if a guy wants to be with me, he has to like licking pussy.

A lot!

I'm quite sexually active and use Tinder a lot but thanks to the lockdown, I've been in a real dry spell.

So it was good I remembered someone had given me a Sqweel as a joke for my last birthday.

I'd never used it before as I got plenty of the real thing and, to be honest, it looks like a dodgy prop from an old Doctor Who.

So I got it out and – WOW!

It's a wheel with lots of little soft plastic "tongues" in it and you hold it against your clit and, like I say, WOW!

It made me come and come until there was a river of juice coming from my vagina.

I held it against my clit and put a finger in my ass too, as I love anal play.

Oh my God! I almost pissed myself with pleasure! What a piece of kit!

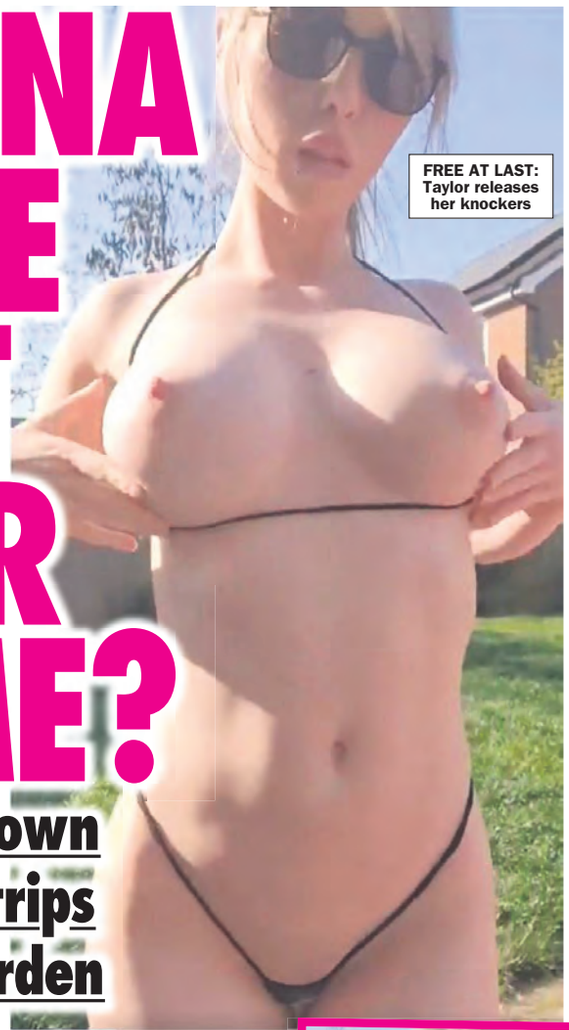
X-rated lockdown babe Taylor strips in her back garden



FREE AT LAST: Taylor releases her knockers

By SUZIE SHELDON
news@sundaysport.co.uk

IS this perhaps the ultimate girl next door?

Sexy model Taylor Jay is so bored during the lockdown that she's taken to stripping off in the garden...

Much to the delight of some of her randy neighbours!

And luckily for us, the 32E blonde stunna has also been sharing her tremendous boobs and completely shaven fanny on her Twitter account *@TayJayxxx*

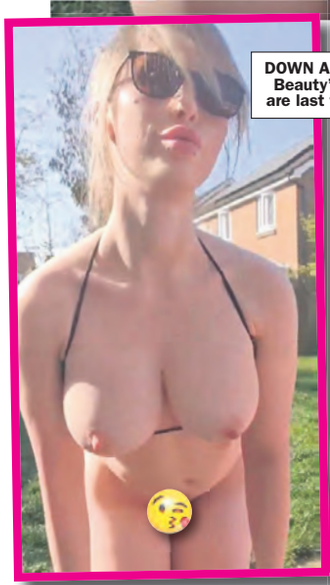
The southern-based babe – who calls herself "f**k doll" and who admits to a love of flashing – also shares links to her X-rated OnlyFans page, where there are loads of clips of her performing absolute FILTH!

Probing

One fan said: "I'd love to be her neighbour. I imagine she lies in the garden on her pink lilo playing with her massive boobs and just fingering that smooth fanny of hers, sometimes with two or three probing fingers.

"I've been pulling myself off frantically thinking about being able to watch her.

"God damn! What a woman!"



DOWN AND CL-OUT: Beauty's bottoms are last to come off

I'VE KILLED THE TERMINATOR!

Drug nut nicked for murder

A NUT high on crystal meth has been charged with murder after he was found driving a stolen golf cart while wearing blood-soaked clothes and ranting about killing "the Terminator".

William Bradley, 54, was taken into custody on suspicion of murder, vehicle theft and multiple counts of assault targeting first responders.

Bradley is accused of brutally killing Robert Carter, a 58-year-old homeless man whose body was found in the suspect's flat.

Police got a call about a golf cart that was stolen from outside a block of flats in Salt Lake City, Utah, and responding officers soon found Bradley covered in blood driving the vehicle.

The arrest report states: "He said he'd 'been in a fight with the Terminator' and killed him."

Officers were dispatched to Bradley's apartment and found Carter's body in a bedroom.

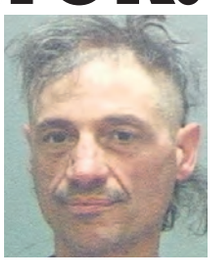
Police said the victim likely died as a result of blunt force trauma, and that his manner of death was "extremely violent and brutal".

Bradley was initially taken to a local hospital to be treated for minor injuries.

There he assaulted an emergency room doctor, two security guards and a police officer, and acted in what was described as an "extremely bizarre manner", before being sedated.

One of the physicians at the hospital told police Bradley was under the influence of methamphetamine and had most likely "been up for days".

Bradley (*right*) remains in jail.



Mum-to-be held over news van carjacking

A PREGNANT woman has been arrested after she carjacked a TV news van with a reporter still inside.

Telly reporter Iyani Hughes – who is ALSO pregnant – was editing video inside the van after finishing a live report when a "belligerent" woman hijacked the vehicle and sped off.

The news crew was covering a story in Atlanta, Georgia, when the carjacker crashed a Toyota Highlander into a security gate nearby.

In an attempt to flee the scene, she jumped into the driver's seat of the news van and fled.

Hughes was knocked to the van's floor and begged the woman to stop.

When she didn't, Hughes managed to get into the passenger seat and buckle her seatbelt.

Officers investigating the Toyota Highlander crash heard Hughes's screams and tried to stop the vehicle.

Seniqua Lunsford, 38, was arrested and charged with kidnapping after she then crashed the news van into another car in a nearby traffic circle, cops said.

Hughes was uninjured in the crash, but Lunsford suffered an arm injury.

Video hearing lawyers told to wear briefs

A JUDGE has ordered lawyers to get out of bed and put some clothes on before they appear in hearings via video conference, after one brief signed on while "still under the bed covers."

Judge Dennis Bailey (*above*), who works at the Broward Circuit Court in Florida, admonished the lazy lawyers in a letter published by the Weston Bar Association.

He said: "We've seen many lawyers in casual shirts and blouses, with no concern for ill-grooming, in bedrooms with the master bed in the background.

"One male lawyer appeared shirtless and one female attorney appeared still in bed, still under the covers."

Courthouses across the US have moved hearings to video conferences amid the coronavirus outbreak, to limit the amount of people gathering in one room.

Bailey added that despite the hearings being virtual, attorneys need to treat them as they would any in-person hearing.

Joey: I love to chew on 12ins of hot meat!

By JAYNE FERGUSON

JUICY Joey Fisher loves TWELVE INCHES of meat – especially when it comes in a bread roll covered in red sauce and mustard!

The 28-year-old busty brunette stunna, from Cardiff, confessed: "I love hot dogs, me, because they remind me of the seaside when I was younger.

Gorgeous

"Well, that and also the fact that they taste bloody gorgeous!"

The 32H beauty added: "Okay, I know they're not very good for you.

"But, that said, who's sticking to their diet in this damnable lockdown.

"Not me, that's for sure!"

SUNDAY Sport SEXY BACK END!

TARA'S GAGGING FOR OUTDOOR SHAGGING!

TARA May is feeling VERY frustrated during lockdown because her fave thing is getting COCK outdoors!

The 32DD beauty said sex in the bedroom is BORING and she prefers having more adventurous nookie.

And the sexy brunette also gets a thrill from knowing she could get caught any time during al-fresco romps.

But with the rozzers combing the countryside for lockdown violators, she doesn't fancy a truncheon round her nethers!

By WENDY THOMAS
news@sundaysport.co.uk

The 23-year-old Essex stunna said: "There's just something so kinky about doing it outside.

"The weather's so nice at the moment – I want to be out there shagging but I can't!

"I've done it everywhere – the kick is that you're in public and anyone could walk by and see.

"But I don't want to be nicked!"

My perfect Sunday...

Darelle Oliver, 26, 34C, from Welwyn Garden City, Herts

I CAN'T WAIT FOR A GOOD NOSH!

I WAS sitting in lockdown the other day, looking out at the glorious weather and I thought: "It's been ages since I've had a long walk and a nice carvery!"

Of course, long walks – apart from Government-sanctioned exercise – are out of the question now and the pubs are closed so there's no chance of a slap-up carvery any time soon.

But I got to daydreaming about my ideal spring Sunday...

That would be a long walk in the countryside with a hunky fella to work up an appetite, then slipping into a nice country pub for a decent feed.

There are normally three meats at a carvery – beef, turkey and ham. I stick with the beef and, personally speaking, I don't think that ham has any place in a carvery.

For a start, who has gravy on ham? And I love gravy, me – lashings of it on my roasties and mash.

And as soon as we're allowed out again, I'm going to jolly well do that on a Sunday!

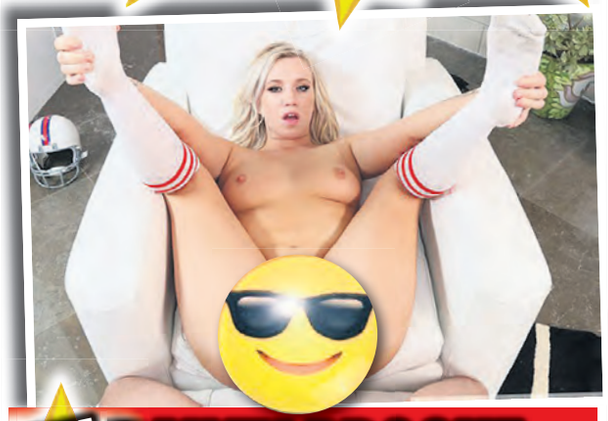
LEGENDS OF PORN



PART 103 BAILEY BROOKE

BAILEY Brooke was born on February 9, 1996, in LA – so she's now 24.

By PENNY MARSHALL
news@sundaysport.co.uk

She started out in the adult industry four years ago and has made around 50 movies.

Slim, very petite and blonde, Bailey started off with solo and toys scenes, but shortly after her initial scenes she then made teen, hardcore, lesbian, threesomes and hardcore.

Shape

Bailey has 32C breasts, and a body that's in excellent shape from lots of trips to the gym.

She has several tattoos and one on her right forearm says 'Love Yourself" while on her tummy she has two anchors.

The green-eyed porn starlet is very popular on Twitter where more than 100,000 people follow her – in return her army of fans get to see Bailey's posts of her latest photo shoots and short videos from her scenes.

She did her first anal in 2018 and declared it: "A tight fit."

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Abi and Leanne from Lincoln...

LESBO LOVING

ABI: Have you ever fantasised about having sex with a girl?
LEANNE: I've not fantasised about another woman, although there are lots of sexy women out there.
ABI: I can't recall having a fantasy about a woman either, but I could imagine having a threesome involving a girl.
LEANNE: Who would you choose for your threesome?
ABI: For that, definitely Keeley Hazell, the glamour model. She's so pretty and has great boobs. She's also sexy in the girl-next-door kind of way – natural and curvy. I couldn't stand anyone skinny. Who would your ideal woman be?
LEANNE: Jennifer Ellison. She's cute and has got a fit body. She also seems down to earth. Someone you could have a laugh with.
ABI: Have you ever been tempted to have sex with a woman?
LEANNE: I've snogged girls on nights out, but I wouldn't say it was particularly sexual, and I wouldn't have gone home with any of them.
ABI: Same here. It's more about having fun on a night out, rather than simply wanting a lesbian experience. You don't always need a man to have fun.

ONE-NIGHT STANDS

ABI: I've had a couple, but not for a while. I don't regret them, but I'm not about to rush into bed with every bloke I meet.
LEANNE: I've never actually had one, to be honest. I always seem to have long-term boyfriends.
ABI: What if you were single?
LEANNE: If Iwasn't seeing anyone, then I think I'd be tempted. It depends on who I meet. If I met someone sexy who also just wanted a bit of fun and would play safe, then I don't see why not.
ABI: I have to warn you, they're not always fun. One time on holiday I slipped away from my friends and went to the beach with a guy. Having a bonk on wet sand isn't so good.

WORST SEX EVER

LEANNE: Definitely my first time. I was nervous and he couldn't put me at ease because it was his first time too and he didn't have a clue what to do.
ABI: Why did you decide to do it with him?
LEANNE: We'd been together for four or five months and I just thought it was time. I don't think it was his fault, it probably would have been shit with anyone. It's just something you think you have to get out of the way.
ABI: My first time wasn't all that bad, but the second bloke I slept with was my worst. He was so inexperienced and all fumbly. It took him about 10 minutes just to get my bra off and the whole thing was messy.

FAVOURITE POSITION

ABI: Mine would be the reverse cowgirl. It's sexy and tight for him and puts you in control. You can do it as fast or slow as you want and, however you do it, it's always good for him.
LEANNE: I don't think I've tried that one, but it'll give me something new to try later. My trusted favourite is girl-on-top. It's easier to control the speed and how deep it goes in. My boyfriend prefers me on top too.
ABI: I think most guys do. It means they get to be lazy and have a great view of your boobs at the same time.

BUM FUN

LEANNE: Have you ever tried anal sex?
ABI: No way. It's just not supposed to go there, is it? Surely, it's just too painful. Have you taken it up the bum?
LEANNE: I'm going to shock you now. Yes, I've done it and with the right amount of lube – and the right dick – it can be fantastic. You don't want someone who's got a really wide knob but, once it's in, it feels really good.You've got loads of nerve endings back there and you can play with your clit at the same time. My biggest orgasms always happen when I'm having anal sex and it makes me feel just like a porn star!
ABI: Wow. That's given me something to think about for the future. In fact, I won't rule it out completely. Maybe if I was drunk with my fella and feeling frisky...

> **My biggest orgasms always happen when I'm having anal sex – and it makes me feel just like a porn star!**

SPIT OR SWALLOW?

LEANNE: Swallow of course. I don't get girls who spit. It seems too rude to me and it makes a mockery of why you're doing it in the first place. An d I actually quite like the taste of it!
ABI: I'm with you on that one. I swallow too, my fella gets a big kick out of seeing me do that. What do you do with it otherwise? It's not like you can take a bowl with you into the bedroom to spit it into.

WILLY SIZE

LEANNE: I had a perfect nine-and-a-half inches once. It was very nice and really filled me up where it matters.
ABI: My biggest was nine inches – a good size – and it definitely hit the right mark. What's better, length or girth?
LEANNE: Oh, girth. It doesn't matter how long it is, if it's skinny you still can't feel it properly.
ABI: And, of course, it's what they do with it. I don't want to sound horrible, but men with small willies tend to try to make up for it by boasting how good they are in bed. But usually it turns out to be the opposite, and they're crap.

OUTDOOR ACTION

LEANNE: I went out with this guy some time ago who was into dogging. I didn't know it when I met him, but after a few weeks he asked if I wanted to go for a walk in the woods and told me to wear something with easy access!
ABI: Wow. Did you go along with it?
LEANNE: Yes, I was excited because I didn't know what was going to happen. When I got there, he led me to this secluded car park where there were people bonking in cars and a load of blokes standing round watching.
ABI: What happened?
LEANNE: He wanted me to have sex with him in front of everyone – I told him to forget it and take me home!
ABI: A group of us went camping in France and one night we got pissed in a local bar. My fella and I decided to take a walk and found this little river with a bit of a waterfall. There was a bench nearby, so he sat down, I took my knickers off and straddled him. It was amazing!
LEANNE: Another guy I met wasn't a dogging addict. We went hiking in Wales one weekend and were walking through this field when I got an urge to bonk him. It was a bit awkward because I was wearing shorts, but I took them off and we had a quickie behind this big tree.

SEX FANTASIES

LEANNE: I've always dreamed of joining the mile-high club. Every time I get on a plane I get turned on at the thought, but I've never had the opportunity to act it out.
ABI: That's the point of fantasies. The turn-on is all in the thought.
LEANNE: What's yours then?
ABI: Sex in the rain, on a car bonnet. It sounds weird I know, but I think it would be raunchy. It would have to be a quiet country lane though. I don't think it would have quite the same effect if it was on the street where I live.

SEX TOYS

ABI: My favourite is the vibrating cock-ring. It's something you can use together and, unlike a normal vibrator, provides extra stimulation for both of you.
LEANNE: For now, I'll stick to my Rampant Rabbit. It's that good.
ABI: Yes, I agree. But I prefer something I can use with my partner.
LEANNE: But you can use it together, double stimulation is great. And if my boyfriend's away, it means I won't be tempted to stray, although it would have a hard job replacing a penis.

A NIGHT WITH PASCAL WHITE

IMAGINE a job where you're paid to shag the hottest girls all over the world, go to the naughtiest parties and be the envy of every man...

That's the life of Television X legend, Pascal White, the star of TVX series including *Pascal's Breaking Bad Bitches*, *I'm A Pornstar... Get Me Out Of Here* and *Pornstars In Their Eyes*.

He's filmed with the likes of Rebecca Jayne Smyth, Sienna Day, Skyler McKay and countless more wild babes and now he's sharing with us his favourite and filthiest things about being a pornstar.

We invited Pascal to TVX HQ to catch up and hear all about his dirty lifestyle...

HOW LONG HAVE YOU BEEN IN PORN AND HOW DID IT START?
I got into porn through an agency when I was 19. I was nervous at first, but they took a chance on me and I was sent on a shoot the next week. It's been near 29 years now.

AND HAS THE INDUSTRY CHANGED IN THAT TIME?
It's changed so much since I started, there was no internet then, so it was very different. We didn't have things like Viagra, so there were only a few performers that could do the job. Now anyone can be a pornstar.

YOU'RE KNOWN FOR GETTING SOME OF THE HOTTEST AND SLUTTY STARS IN *BREAKING BAD BITCHES*. WHAT'S YOUR FAVOURITE KIND OF SEX TO FILM AND WHO DO YOU LIKE FILMING WITH?
I love shooting all kinds of sex scenes, as long as the girl is having a great time. There's nothing better than seeing a girl cum. I've worked with some fantastic girls, but I've slept with so many, it would be too hard to choose.

TELEVISION X IS THE BIGGEST PORN CHANNEL IN THE UK. WHAT'S YOUR FAVOURITE THING ABOUT US?!
You guys are like a family. I started working with TVX as soon as I arrived in the UK in the old days with Ben Dover. I also like the focus on soft. It can be more exciting to let your mind do the work when watching. Offscreen we cycle together with the Porn Pedallers. We go on some wild trips and I'm usually riding more than just bikes!

Don't miss Pascal's *Breaking Bad Bitches 2* every Wednesday and Sunday night, only on the UK's favourite porn channel, Television X.

If you want to see all the girls Pascal's banged and more, simply subscribe to Television X (Sky 900) call 0871 271 6869 or visit *www.televisionx.com*.

Follow Television X on Twitter and Instagram *@TVXMole*.

And you can keep up with Pascal's antics on Twitter*@PascalWhiteXXX*.

The series begins by exploring Nyiragongo, which has erupted twice in the past 50 years – most recently in 2002, when it devastated the nearby city of Goma.

However, it lies in a region troubled by war and humanitarian crises, which has made study of the volcano very difficult.

Former royal marine Aldo Kane is given the task of ensuring the team's safety.

DIXIE: I LOVE GETTING NAUGHTY ON WEBCAM

DISHY Dixie Love is used to video-calling gadgets as she's been using tech to flash her bits for ages!

The 24-year-old beauty, from St Albans in Herts, is a big fan of the webcam and often uses it to show what she's got to her army of fans.

The 34C pertlet told *Sunday Sport*: "I love stripping off for the camera and over on my private webcam, things can get a LOT naughtier.

"I don't want to give too much away, as I love teasing my fans.

"I guess you'll just have to log in and come take a look for yourselves – I can tell you now, you will NOT be disappointed… I promise!"

Penny's taboo threeway secret

SUNDAY Sport SEXY BACK END!

PERT Penny Lee might have the face of an angel.

But she's a proper HORNY devil between the sheets and has a doubly-kinky BUM SEX confession, too...

Worthing-born Penny, 25, has a dream fantasy where TWO blokes give her X-rated ANAL sex!

The 32E beauty said: "Some girls like the idea of a threeway with a guy and a girl.

"But for me it has to be with two men.

"They would each take it in turns to dominate me.

"I'd probably let them both indulge in some anal sex. I never turn anal down – I love it!"

NATASHA: I LOVE IT IN THE ARTS!

BUSTY Froglet Natasha Nice may not be doing much modelling at the moment...

But she's keeping her brain ticking over.

The French-born beauty is not just a bum sex queen, she's also a mad art buff and has a degree in Art History.

And she's learning more about her subject by watching a series of free online lectures from the Arts Society.

Natasha, 21, said: "They are aimed at the over-70s but I don't think they are going to throw me out for being underage!

"I was always told when I was younger that you should do something to expand your mind every day.

"And during the current lockdown that's what I try to do.

"After all, there is nobody expanding my arsehole with their big, hard cock at the moment... bah!"

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I GET a massive sexual charge out of white goods – like washing machines, dishwashers and fridges etc.

At first, my wife was a bit reluctant to indulge me but is now quite happy bent over the washing machine on full spin while I do her hard and fast from behind.

We recently started visiting a huge electrical store in town and we head over to a quiet corner near the massive fridges.

The sight of all the electrical goods really gets me horny and the wife soon gets pretty wet and I always end up slipping my cock up her in seconds and it doesn't take long for me to splurt the lot.

Do you think we have gone too far, as we now do this weekly?

GT, south London

Kelly says...
YES – if store staff ever catch you at it you could end up in some serious trouble.

Dear Kelly,

I WAS walking the dog the other day and, as I'm a keen badger spotter, I was keeping an eye out for a flash of wildlife when I noticed a commotion in some bushes.

I quietly crept up to the shrubbery and was astounded to see a spotty white arse pumping up and down.

Then a woman's voice said: "Don't just look, come and have a go!"

A burly fella got to his feet and walked off, so I wandered over – and lying there was this blonde babe, about 20, starkers.

I dropped my pants and set to, thrusting my boner up her tight gash, and in no time at all I'd blown my bag.

Trouble is, I lost the dog and the wife wants to kill me.

EA, West Yorks

Kelly says...
TAKE up dogging – and buy yourself a cat!

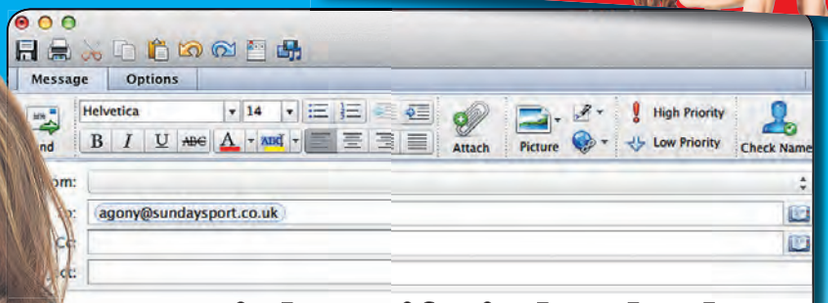
SUNDAY Sport SEXY BACK END!



Kinky wife is hooked on playing with adult toys

Dear Kelly,

ME and my missus have been happily married for 10 years and have three kids.

Until about two months ago, I thought our sex life together was great.

But a couple of months back she went to a pal's house for one of these sex toy parties and she brought some home with her.

It was a huge turn-on for us both as I made her scream with delight with a large dildo.

For several nights we were bang at it for hours on end and I'd never known her to have so many orgasms.

But then I got home from work one evening and asked the kids where their mum was and they said she'd gone for "a lie-down".

When I walked in the bedroom I was astonished to discover her in the middle of an orgasm with a dildo rammed up her chuff.

I shouted to her to stop but she ignored me and carried on thrusting the glistening gadget deep into her sopping love-hole.

Eventually her eyes rolled up into her head and she let out a muffled scream and a huge sigh as she climaxed heavily.

The sight of her gaping minge gave me a semi hard-on so I stripped off and dived on the bed to join her.

But she just pushed me away, saying that she preferred her new toys to me!

And since then she hasn't let me go anywhere near her.

I've tried talking it over with her but she won't listen to me and carries on f**king herself every night with a dildo instead of having me, and the real thing.

Now I'm seriously considering leaving her but I can't bear to be parted from the kids.

Please help!

FH, South Yorks

Kelly says...

THE only advice I can offer is that you get hold of her sex toys and destroy them – immediately.

Dear Kelly,

AT my university there's a librarian in her late 30s who wears low-cut tops and short skirts.

Everybody knows she wears no knickers as she frequently goes up the stairs in the centre of the building and we can see from the desks.

There's now a queue for these seats as every lad at uni wants to put in some extra library time!

I got chatting to this woman recently about a book I was looking for and I asked her out.

We ended up back at my room at the halls of residence where she wasted no time in stripping off to reveal her incredible body.

She now wants to leave her husband and two kids and live with me.

But I'm not sure.

TF, West Midlands

Kelly says...

IF you're just using her for sex, then you must tell her to stay with her family.

Bexi says... I'M sure the lockdown will fly by for these girls!

AUGUST HOPE FOR EUROPEAN FINALS

UEFA have pencilled in Saturday, August 29 for the Champions League final.

While football is still on hold across Europe, the tournament has been indefinitely suspended. But with some nations beginning to relax their lockdowns there is some optimism that the sport can kick off again behind closed doors.

The game was originally scheduled for May 30 at the Ataturk Stadium in Istanbul.

It is thought that the new plan would still have the final taking place there at the later date but it seems unlikely that fans will travel.

There has to be some doubt about playing in Turkey though as the country is being hit by coronavirus harsher than many.

The Europa League final would take place three days earlier — on August 26 — in Gdansk, Poland.

UNITED HOT ON KOUL

MANCHESTER United look set to pip City in the hunt for Kalidou Koulibaly.

The Napoli centre-back is one of the hottest properties in Europe and Pep Guardiola's men were thought to be in the driving seat.

But United chief Ole Gunnar Solskjaer sees him as the perfect partner for Harry Maguire and will launch a £75m bid.

The Italians need the cash and want to get Koulibaly's £100,000 a week wages off their books so the deal has every chance of happening.

BIG DEAL: Kouilbaly
